PRAYERS**COMMUNICATION FROM THE CHAIR**

**CONVENING OF SPECIAL SITTING TO VOTE ON THE COUNTY
GOVERNMENTS CASH DISBURSEMENT SCHEDULE FOR
FY2016/2017 AND OTHER URGENT BUSINESS**

The Speaker (Hon. Ethuro): Hon. Senators, let me take this opportunity, once again, to welcome you back for this second Special Sitting of the Senate during the current August recess. I am gratified that you found time to come for this sitting considering the busy schedules each one of you has at your respective counties. This is a pointer to your commitment to executing the businesses of the Senate which I note with appreciation.

As hon. Senators will recall, we concluded consideration of the County Governments Cash Disbursement Schedule during the Special Sitting of 5th August, 2016. The only matter pending now is voting on the Schedule in order to approve it. As indicated in today's Order Paper, we shall be proceeding to the Division on the Schedule in addition to other business scheduled for Division.

As communicated on 5th August, 2016, the County Governments Cash Disbursement Schedule for the Financial Year 2016/2017 was sent to the Senate by the National Treasury and received on Friday 29th July, 2016 at which time we were already on recess. This necessitated a Special Sitting considering the need to approve the Schedule to enable disbursement of the much needed financial resources to the county

governments. In addition, there was also need to conclude consideration of Bills awaiting Divisions at various stages.

Hon. Senators, as indicated in paragraph 2 above, we did not manage to vote on the Schedule as well as the various Bills listed for consideration on the Special Sitting of 5th August, 2016. It is for this reason that the Senate Majority Leader and the Senate Minority leader, pursuant to Standing Order No.29 (1) of the Senate Standing Orders requested the Speaker once more to appoint a day for a Special Sitting of the Senate to consider the County Governments Cash Disbursement Schedule for the Financial Year 2016/2017 and other urgent business pending before the Senate. The request which was made vide letter dated 10th August, 2016 was supported by 17 Senators. I wish to note that the Speaker does not originate Special Sittings.

Hon. Senators, you may also wish to know that urgent business currently pending before the Senate includes Motions to adopt the three negated Committee reports on very crucial Bills, two of which are subject to the August 27th, 2016 Constitutional timelines. Several Bills are pending only Division; either the Second Reading Stage or they are at the Committee of the Whole. There is also a Motion to adopt a very crucial report of the Joint Parliamentary Select Committee on matters relating to the Independent Electoral and Boundaries (IEBC). It was the view of the leadership that there was no need to have pending business that is already committed.

Hon. Senators, following consideration of the request by the Senate Majority Leader, I was, therefore satisfied that it met the requirements of the Standing Order No.29(2). It is in this respect that I have convened this Special Sitting of the Senate by Gazette Notice No.6505 dated 12th August, 2016 which was carried in a Special Issue of a Gazette of the same date.

Hon. Senators, as required by Standing Order No.29(5) the Notice specified the business to be transacted at this Special Sitting, and it is the business scheduled in today's Order Paper. Indeed, as specified in the Gazette Notice and in accordance with Standing Order No.29 (5) of the Senate Standing Orders, the business specified in the Notice shall be the only business before the Senate during this Special sitting following which the Senate shall stand adjourned until Tuesday 13th September, 2016 at 2.30 p.m. in accordance with the Senate Calendar.

Hon. Senators, I would, therefore, like to reiterate that in accordance with Article 123 of the Constitution and Standing Order No.71, for the Senate to approve the business scheduled at Order Nos.5 to 11 and 13 to 19, a majority of delegations – 24 – are required to vote. I, therefore, urge you all to remain in the Chamber for the transaction of this business as scheduled in the Order Paper.

Thank you.

clauses 12, 17, 48 and 49 of the said Bill and Clause 57(e) (i) of the Energy Bill (National Assembly Bill No.50 of 2015);

Now, therefore, in accordance to the provisions of Article 112 of the Constitution and Standing Order No.142 of the National Assembly Standing Orders, I hereby convey the said decision of the National Assembly to the Senate and seek the appointment of Senators to the Mediation Committee in respect of the said Bills.

Hon. Senators, you will recall that Article 112(1)(b) provides that:-

Sen. (Dr.) Machage: On a point of order, Mr. Speaker, Sir. The Report that has just been laid was laid in this House during the last sitting. Is it that we do not have memory in the House? Is it in order to have a second laying of the same Report?

Sen. Billow: Mr. Speaker, Sir, let me clarify. What we laid on the Table of the House was the Cash Disbursement Schedule. What I have just laid is the Report of the Standing Committee on the Schedule, not the Schedule itself.

The Speaker (Hon. Ethuro): Sen. (Dr.) Machage, that explanation is satisfactory. Initially I was also concerned.

Proceed, Sen. Orengo.

COMMITTEE OF THE WHOLE

(Order for Committee read)

[The Speaker (Hon. Ethuro) left the Chair]

IN THE COMMITTEE

*[The Temporary Chairperson
(Dr. Machage) took the Chair]*

THE REPRODUCTIVE HEALTH CARE BILL (SENATE BILLS NO.17 OF 2014)

The Temporary Chairperson (Sen. (Dr.) Machage): Hon. Members, the Senate is still in session. I request that we have a quorum in order to execute the remaining business. We are now on the Order No.16 – Committee of the Whole; Division. Could the Division Bell be rung for two minutes?

(The Division Bell was rung)

The Temporary Chairperson (Sen. (Dr.) Machage): Order! After the Division Bell, we still do not have the numbers for a Division. Could the Division Bell be rung for one more minute?

(The Division Bell was rung)

The Division Bell will continue to ring for another five minutes.

(The Division Bell was rung)

Stop the Division Bell. After the Division Bell rung for over seven minutes, we still do not have the quorum to execute this Business.

Sen. Murkomen: On a point of order, Mr. Temporary Speaker, Sir. Is this not a serious matter that may call into question the Members' commitment? We signed for a Special Sitting and after agreeing to come to the House, the Members walked out before our eyes. I suggest that the Chair should convene a *Kamukunji* in future so that the Senators can make a decision whether we should go for a permanent recess up to the next General Elections or we have the commitment to come and do the business we are supposed to do.

I am unhappy because we are on recess, but we made a decision to come for an afternoon; and then Senators just walk out before our eyes. We have many responsibilities to do but when we call for a Special Sitting, we must respect the Kenyans who gave us the responsibility to serve this nation.

Mr. Temporary Speaker, Sir, it is upon us to do soul-searching and create time next week to discuss this matter. I know that I am part of the political leadership of this House, but it really requires a full commitment from both sides of the political divide.

Sen. Orenge: On a point of order, Mr. Temporary Chairman, Sir. Just in short agreement with the Senator for Elgeyo-Marakwet and the Senate Deputy Majority Leader. The signal being sent is that we can only do business when the Bar is drawn and the doors are locked. We can only transact business when we are like prisoners, but when the door is opened we all vanish. The point that the Senator for Elgeyo-Marakwet has brought out is very important, especially when it is a Special Sitting.

Sen. (Dr.) Khalwale: On a point of order, Mr. Temporary Chairman, Sir. I share the views of the Senator for Elgeyo-Marakwet. Whereas it is unfortunate that we have been unable to raise the numbers that we need for this particular business, let it also be known to the rest of the public that this afternoon the Senators have done a sterling job. They have passed not one, not two, but 15 Motions that have gone through division. Let it not look like they have done nothing; let us encourage them. Sen. Murkomen, you do not have to appeal to the Chair. You are absconding your responsibility; you are a leader of your side. The leader on our side is here and she has done her best to whip us. On your side the whip is not even--- Okay, she is there.

Sen. Ong'era: On a point of order, Mr. Temporary Chairman, Sir. I also want to support what my colleagues have said. First, some good work has been done this afternoon despite the fact that some Members took off. Maybe in future we should close the Bar completely, so that we finish the work whether or not we are in the Committee of the Whole. I know it may require amending our Standing Orders, but that is what we may need to do in future for us to transact business.

The Temporary Chairperson (Sen. (Dr.) Machage): I want to call upon you to look at Standing Order No. 29 (5). It reads:-

“Whenever the Senate meets for a special sitting under paragraph (1), the Speaker shall specify the business to be transacted on the day or days appointed and the business so specified shall be the only business before the Senate during the special sitting, following which the Senate shall stand adjourned until the day appointed in the Senate calendar”

It is talking of “business” and it depends on your interpretation of ‘business’ or ‘businesses’; whether we have been carrying out ‘businesses’ today or ‘business’ is subject to your own interpretation. Some Members thought that ‘business’ means only one item, but we have been able to transact 15 items.

Whereas the concern of Sen. Murkomen is legitimate, it is a little bit misplaced today in view of the amount of work that has been done, which has never been done before. However, the blame has to stand and the first area of blame will be on the leadership. The Member who raised this point of order is none other than the Deputy Majority Leader. I can also see the Deputy Minority Whip. Was the whipping properly done that there would be businesses today? If that was not done, then Members cannot be blamed. If it was announced that way, then Sen. Murkomen’s assertion holds some water. May I leave it at that.

Sen. (Prof.) Anyang'-Nyong'o: On a point of order, Mr. Temporary Chairman, Sir. I join my colleagues in the concern, but under the circumstances, I propose that we be practical and do what we can. I propose that rather than go to the Committee of the Whole on Order Nos.16 to 20, we should just concentrate on the Motion by the Co-Chairs of the Joint Parliamentary Select Committee, which will not require the mandatory number of 24 Members. That would be more practical. I understand that Members may have been anxious to leave after voting, but there are still enough of us and quite a few in the lounge to deal with Order No.21.

The Temporary Chairperson (Sen. (Dr.) Machage): Very well. That is a legitimate concern and advice.

What is it, Sen. (Prof.) Lesan?

Sen. (Prof.) Lesan: Mr. Temporary Chairman, Sir, whereas I agree with Sen. (Prof.) Anyang'-Nyong'o that we could move to the Motion, it is also important that we read the Report and understand it, so that we can contribute significantly. Since we have not read the report, I do not think that it is advisable to go directly to the Motion.

The Temporary Chairperson (Sen. (Dr.) Machage): That is an important concern. Actually, the report was tabled today. Although the Motion is listed on the Order Paper, there was a request from the Movers - two Members would have moved this Motion today – to the Chair that it is deferred to another day, so that Members may have enough time to scrutinize it for better debate. It is a debate that will make a big change on the electoral system in this country. Therefore, I agree with Sen. (Prof.) Lesan, although, in a way, I also support the sentiments of Sen. (Prof.) Anyang'-Nyong'o.

For that reason, I call upon the Mover, Sen. Sijeny.

Sen. Sijeny: Mr. Temporary Chairman, Sir, pursuant to Standing Order No.139, I beg to move that the Committee do report progress on its consideration of The

Reproductive Health Care Bill (Senate Bill No17 of 2014) and seek leave to sit again tomorrow.

Proceed, Chairperson.
